

MAHEC, in cooperation with the Provider Advisory Council and Smoky Mountain MCO, is developing a half-day workshop to assist Smoky Network Providers with questions about Electronic Health Record (EHR) options, getting started, logistical information, etc. This workshop will feature two learning tracks: one for providers who already have an EHR and another for providers who do not currently have an EHR. Both tracks will discuss Stage 2 Meaningful Use standards, certified compliant EMRs, and current incentive programs that are available from CMS.

**MARK YOU CALENDAR:** The workshop is scheduled for Monday, November 7<sup>th</sup>, 9:30 a.m. – 12:30 p.m. at the MAHEC Education Building, 121 Hendersonville Road, Asheville 28803. The workshop agenda and registration information will be available shortly.

In order that MAHEC have the best information possible about the current needs of the network, we ask that you, or the person in your organization who is most familiar with your EHR, respond to a **1-3 question short-answer survey** no later than **Thursday, October 6, 2016**.

Even if you, or your organization do not currently use an EHR, please respond to this survey. You will only be asked to complete the first question.

Thank you for your time! If you have any technical issues with the survey, please contact: [tommy.duncan@smokymountaincenter.com](mailto:tommy.duncan@smokymountaincenter.com)
